**These clinics are your only options for clinic requirements.
There will not be alternative options available.**

Clinics will start at 5:30 p.m. (registration at 5:00 p.m.) and conclude by 9:00 p.m. Training will focus on high school officiating. There will be basic training for those who have not attended an MSHSL clinic in the past and advanced training for those who have.

All officials are invited and encouraged to attend clinics, including those of you who do not need to meet the clinic requirement this year. **Officials are *required* to attend in-person/online training clinics at least once every *two* years to be eligible for postseason contests.**

Videos will be streamed during the Zoom session, which will require a stable internet connection with sufficient bandwidth. If your current setup does not support smooth video playback, please make arrangements to join from a location with stronger connectivity or consider attending the session in person

**Clinic sign-up/registration for the in-person clinics is on the Schedule tab
of your Arbiter MSHSL Official account.**

**Click on the below form to register for the Zoom clinics –
after registration, you will receive a confirmation
email containing the join Zoom link.**

**Joining the Zoom clinics on audio only (via phone audio) will not work as video clips
are reviewed and officials will need to click on the attendance link for credit.**
